| 5. General Pocket for Accessories     |                    |

The Foama Canon EOS R5/R6/R7 Case with the Nanuk 905 offers rugged, travel-ready protection for your camera and essential accessories. With a precision-cut foam insert, it securely holds a Canon EOS R5, R5 II, R6, R6 II, or R7, along with a battery charger, four batteries, two memory cards, and a general accessory pocket. Waterproof, shockproof, and carry-on friendly, this compact, durable case ensures your gear stays safe, organized, and ready for action—whether you're shooting in the studio or on the move.
